You are a great girl

Stay that way! Good luck!
Have a nice summer and I

Yvette,
I don't know about you, but I'll always remember
Latin I. The prince reigned and we were her little
pits. I'll see you next year, fellow Sophomore!
Good luck always.

Love,
Jim Cordly

Yvette
Good luck
Love

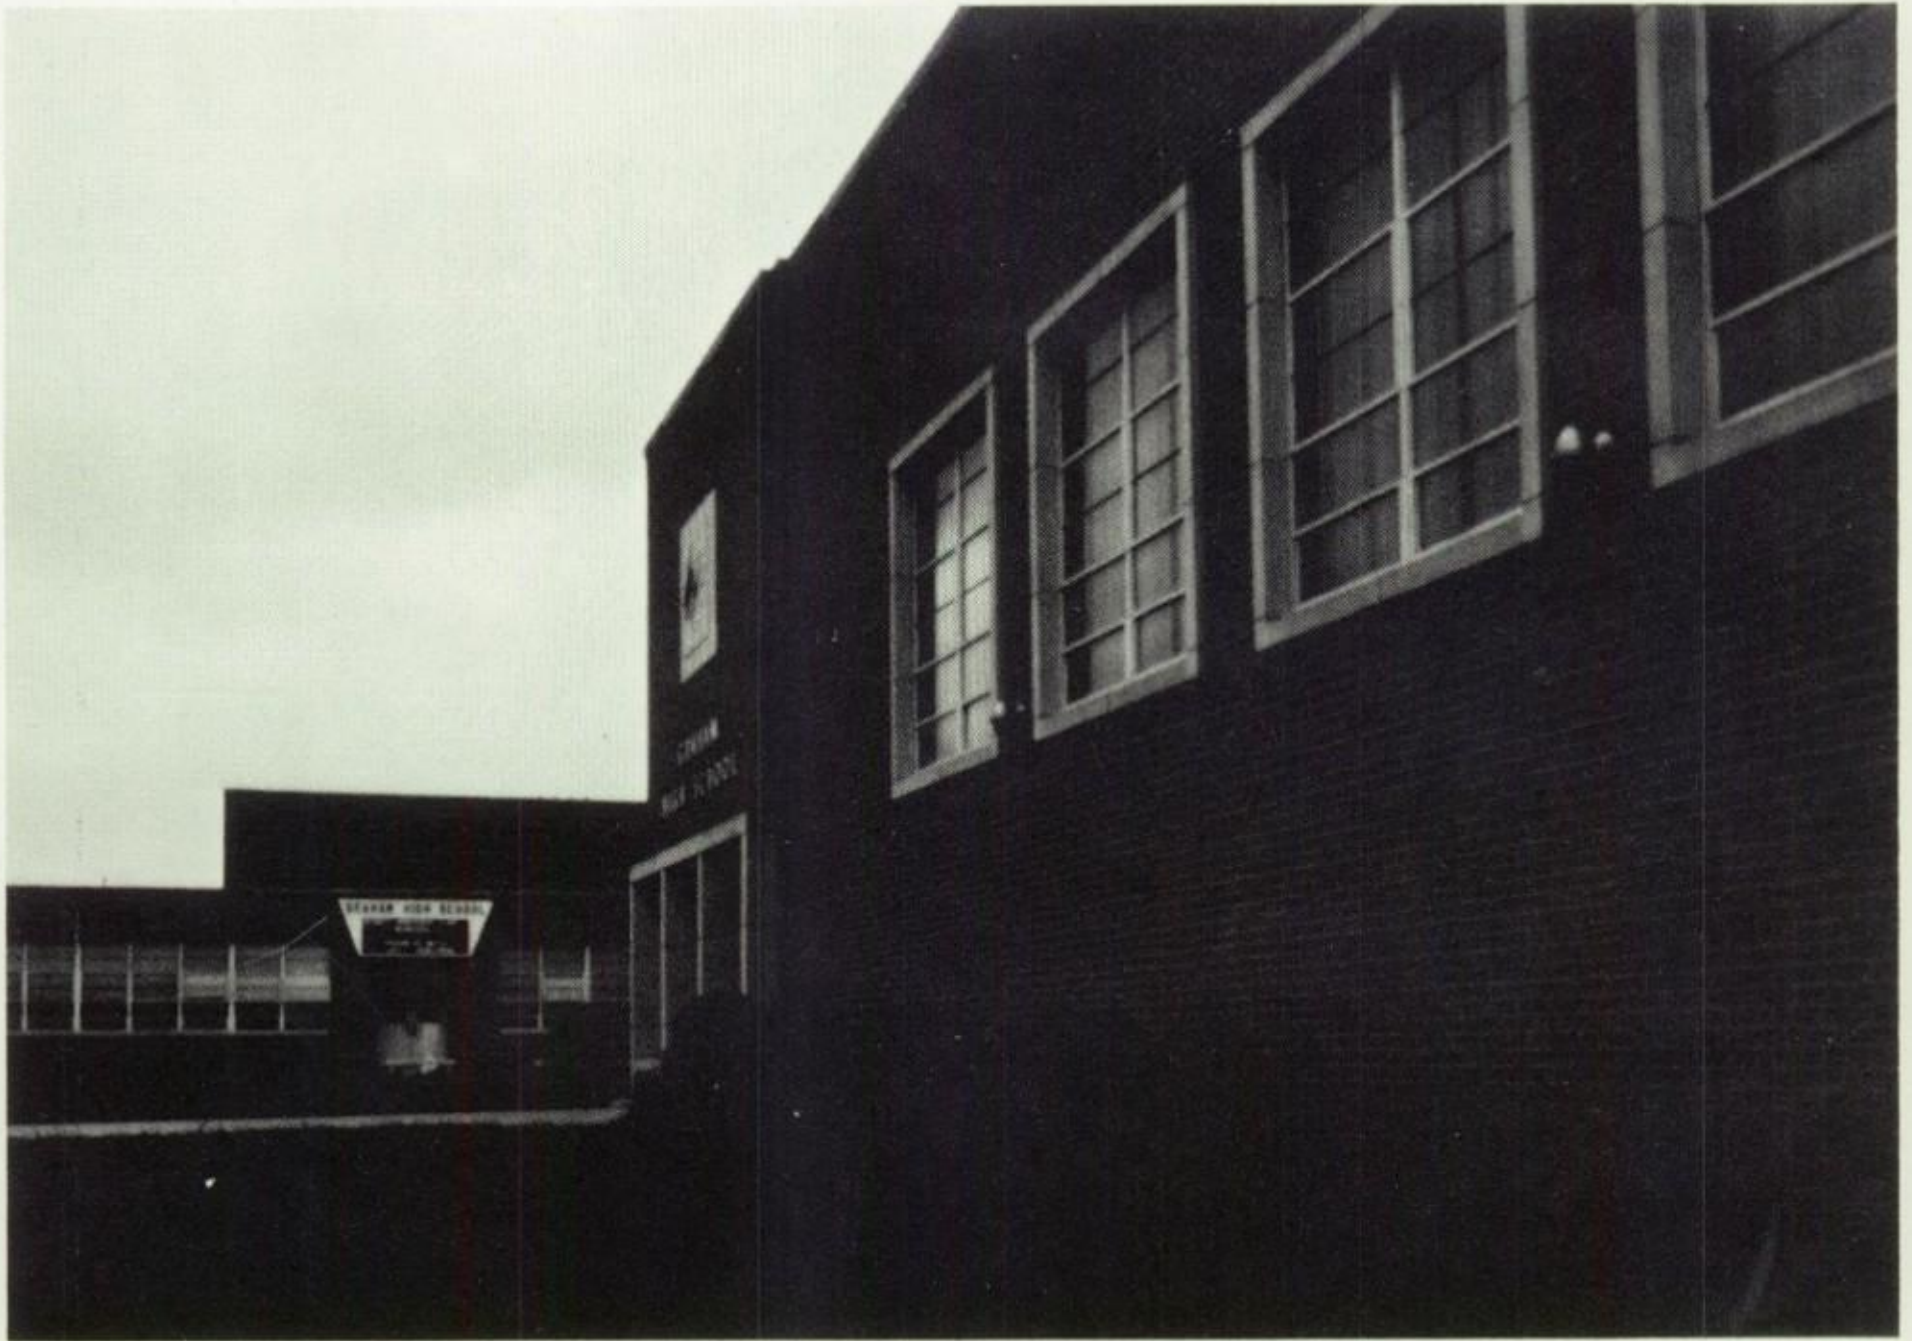

Yvette,
you are one of the greatest girls
I know and one of the greatest
friends I ever had. Remember all
the good times we had together and all
the fights we have had. All of the
boys we have liked and all of ever
thing else we've done together. Remember
all our thing about class rings and
all the boys at Jazewell. Remember
how we could wait to get our first
annual we have it now and hope
we will always be friends forever.
Good Luck and may God Bless You.

Friends always,

Everybody get to work!

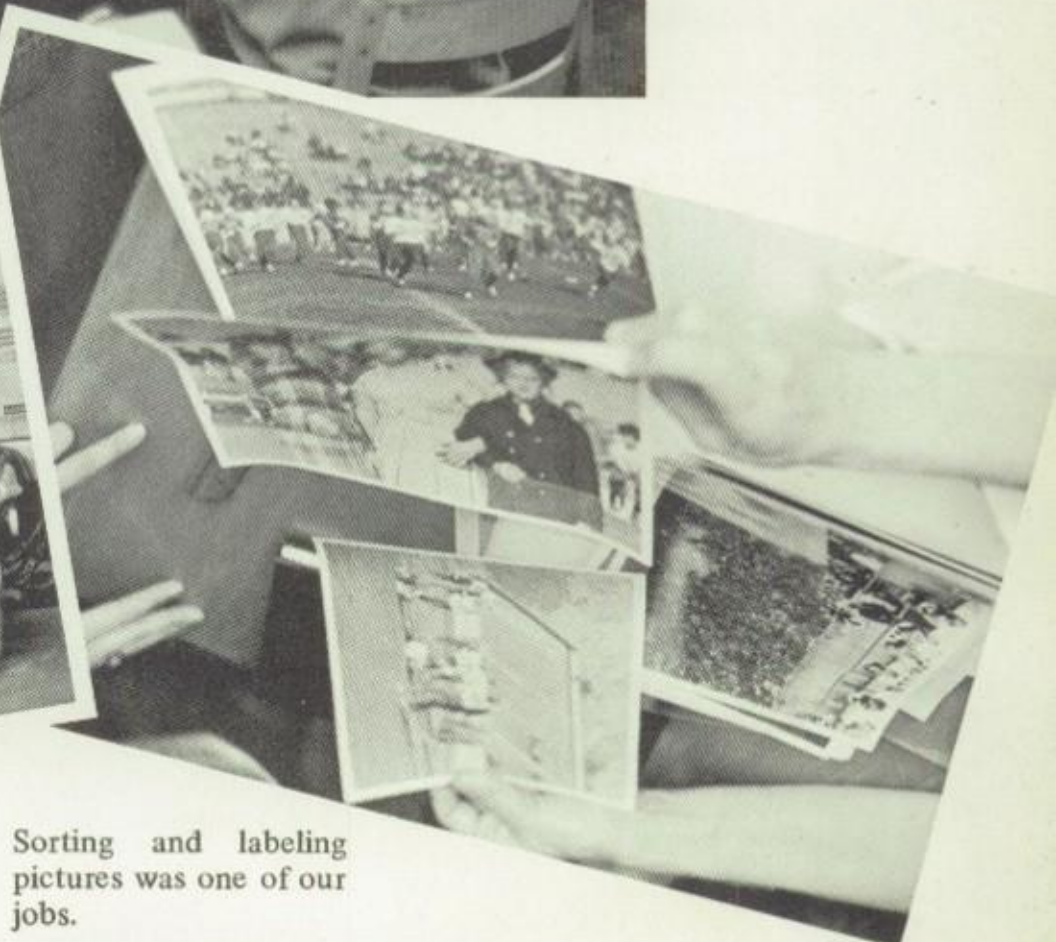

Many hours of volunteer work go into the making of an annual. Days of vacation are spent doing the many pages needed to make up a yearbook.

Work Harder! The deadline is getting closer!

Type! Type! Type! Hurry! Hurry!

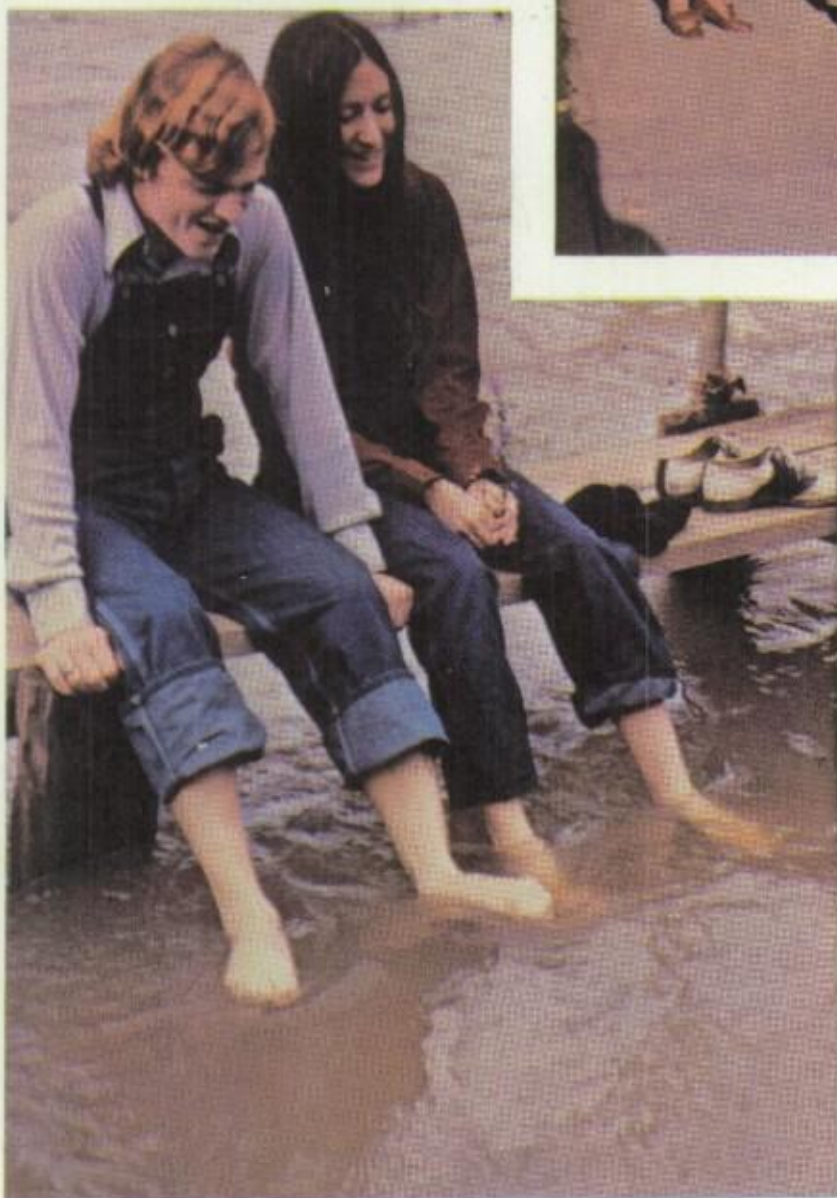

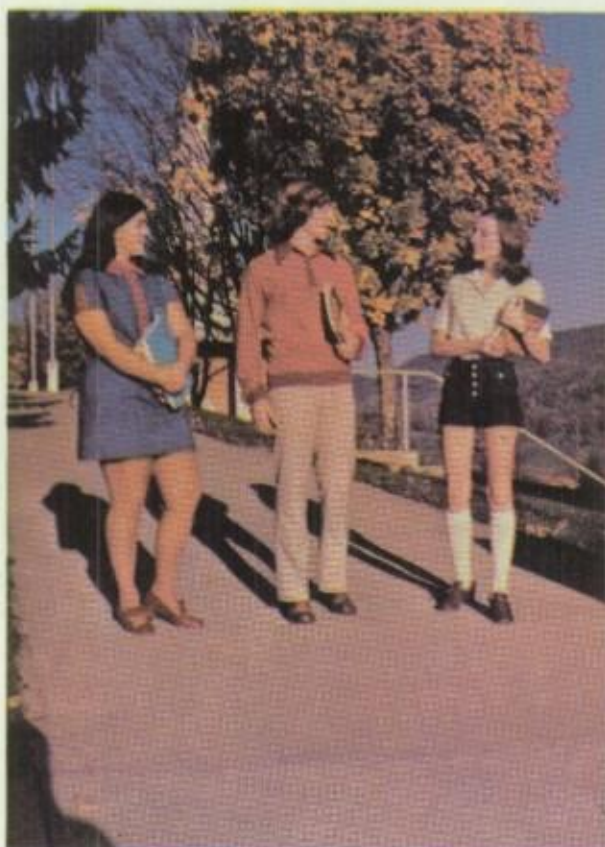

Sorting and labeling pictures was one of our jobs.

Annual Staff members gave up those Saturday morning snoozes to work on the Yearbook.

Willing Seniors helped the staff to solicit ads from neighboring merchants.

Flurries of activity

Wild excitements

Small disappointments

Enchanted moments

Ball games, plays, contests

Classes, assemblies, dances

Holidays, clubs, pictures

Class rings, baccalaureate, graduation —

Happy times for everyone;

For some, the happiest of their youth.

Times to be remembered,

Savored, enjoyed, in old age.

Yet all too easily, time

Creeps in and dims what

Now seems so clear.

As we take our places in

The world, the memories

Grow hazier and further away —

Until all we remember

Is caught between the pages of a book —

Our book.

WE'RE NO 1. TOURNAMENT CHAMPIONS SOUTHWEST DISTRICT

"It was a tremendous victory for us. These kids played their hearts out and we're proud of every one of them. They never quit throughout the tournament. We weren't even supposed to be here in the championship game but we won it all," commented happy coach John Quintier.

After a week of wild campaigning, Gary Denardo walked on the stage surrounded by Secret Service Men and said, "Let me make one thing perfectly clear. I want to be your President".

The sun also arises,
And the sun goes down,
And hastens to his place where he arose . . .
And that which is done is that which shall be done;
And there is no new thing under the sun.

Yvette,

I am so glad that we got together. You know, we always break up over something silly. I'm sorry about last time with you know who. I should have kept my mouth shut. But I'm so jealous about you. I can't help myself. Yvette, when we broke up before, I didn't know which way to move. I actually cried like a baby that night. But enough of History. We must forever go on. Always keep the chin up. Look ahead and on the good side of things.

Yvette, If you ever want me to do something or not do something, you just say it. You won't make me mad. Yvette, I may act like it, but I'm never mad at you.

I hope that we can see each other some this summer. I'll probably be gone most of the time though. Have fun and don't get hurt. Get your horse in shape and keep on riding. I'd like to see it sometime. I'll bet it's a beauty.

Yvette, I know that will have lots of fun at the ball games and all next year. You'll be a sophomore and you'll have a lot of fun. My freshmen and sophomore years were the greatest of my life, Except meeting you this year. That surpasses all. May God forever grant anything that your heart desires. With all of my love, for the greatest girl I know.
